

Less-Than-Truck Load Service

- **You have demand for shipping small orders?**
- **Need a reliable and professional transporter?**
- **ABA Cooltrans is your choice!**

In transport of frozen products and foods particularly, besides keeping the products at the right temperature during delivery, time is a critical factor for products to reach consumers in the fastest way! Is that your concern?

Understanding that demand with a high awareness of the need for safe and clean foods of Vietnamese consumers, ABA Cooltrans wishes to partner with you to bring your best quality products to consumers through our LTL (**Less-than-Truck Load**) service.

With many years of experiences in refrigerated transport service, ABA Cooltrans has been serving various leading organizations who always put high demand on service quality. We own a large fleet of big trucks operating between South and North, and a numerous fleet of small trucks catering distribution to door as well as pick-up at customer warehouse or cold storages (*). This keeps our cold operating chain integrated, optimizes time and ensures constant temperature of products throughout the journey from customer storage to consumers.

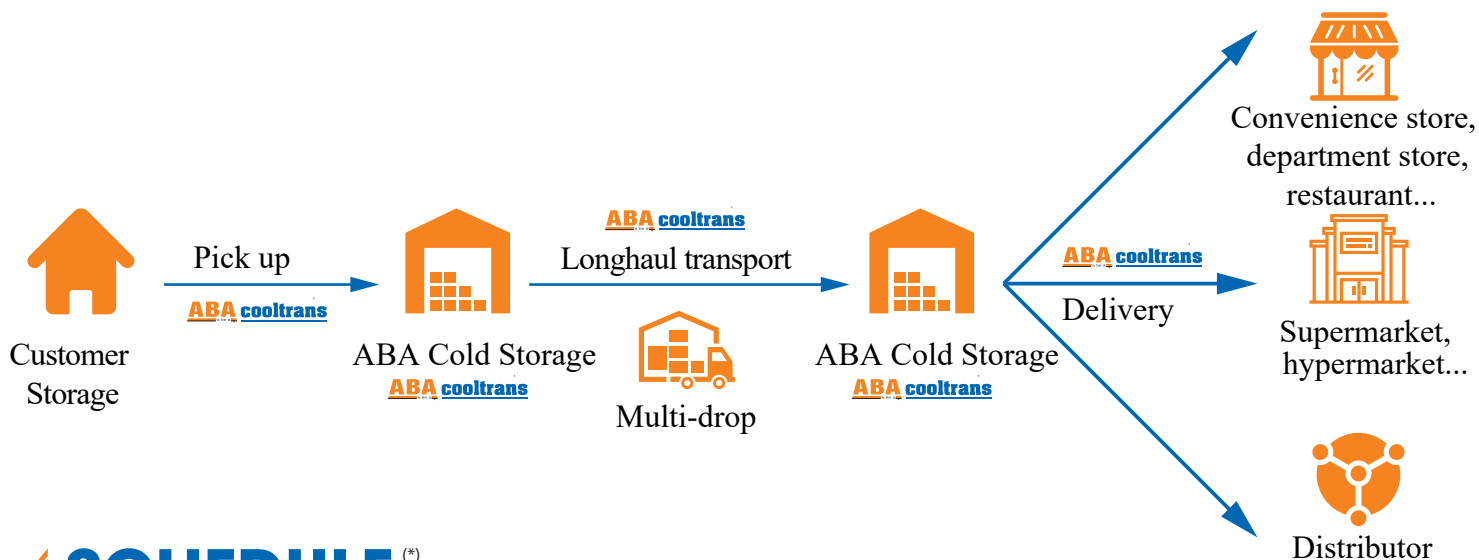

OUR SERVICES INCLUDE:

- Delivery across the South and North
- Multi-drop delivery
- Pick-up from customer base
- Delivery to door
- Other value-added services
